CAREER OBJECTIVE

As a recent MIS graduate from Hashemite University, I have gained practical IT experience through hands-on training at Orange Coding Academy. My technical skills include JavaScript, React.js, Node.js, MySQL, MongoDB, Redux, Next.js, and WordPress. I have held diverse roles such as Scrum Master, QA, Product Owner, and Developer, showcasing my adaptability and leadership. With problem-solving and communication abilities, and my involvement in volunteer activities during university, I am eager to apply my academic and practical knowledge in an entry-level IT position.

Technical Skills

Front End: HTML, CSS, Bootstrap, JavaScript, React JS, Tailwind CSS, Redux, Next JS
